My dear Minoo:

Your letter of November 27. My program has changed a little since I wrote to you and it will not be possible for me to be in Bombay on the 3rd January. I, therefore, suggest that you go ahead with the meeting on that date without me. As regards the meeting in the second half of February, kindly intimate the possible date as soon after the 3rd January meeting as possible.

I do not expect to be in Delhi by Christmas. I shall be reaching there only on the 29th 2nd. 1st January.

Yours sincerely,

Jayaprakash
