My dear Rajaji,

I am very happy to hear that the COC is meeting in Bombay on the 30th.

There are two things that we must do: (1) We must have a Public Meeting at Chowpathy, (2) We are badly in need of Funds and therefore we must have a Subscription Dinner.

Please let me know when it would be convenient to you to attend both these functions. As regards the Public Meeting if you could prolong your stay till 3rd then it would be possible for us to arrange a big meeting at Chowpathy on Saturday the 3rd. Failing that, I leave it to you to fix the date of the Public Meeting and the Dinner.

With warm regards,

Sincerely yours,

PILOO MODY
