My dear Piloo,

Thank you for sending us copies of your correspondence in regard to Goa. Rajaji has been sending us copies of his replies.

I had hoped to discuss the matter with you personally yesterday and am sorry we could not do so. However, we had a useful discussion with Mr. Murarji Vaidya and Mr. Madhu Mehta and I hope Madhu has reported it to you.

Dr. (Mrs.) D'Costa, who is at present in Goa and who took a leading hand both in negotiations between our Party and friends in Goa and who was also instrumental in helping the United Goans to come into existence, will be available for discussion with us on the morning of 11th November. I suggest that you and Madhu and I meet her at that time and if as a result of that discussion it transpires that a visit to Goa by one or two of our Party members on behalf of our Central Office would be helpful either to them or to us, we shall certainly take that step. I hope in the light of what Madhu must have told you, you will agree that this will be the most appropriate and fruitful approach.

Yours sincerely,

(M. R. Masani)
