The attached draft

I have prepared a draft reply for your consideration as from Dr. Cooper. As you will see from the draft, we had taken this matter up with Mr. Hardwari Lal but he just did not reply. Dr. Bansal appears to me to be genuine. I therefore suggest that we issue him a Life Membership card and also cards to the workers he has enrolled. If nothing else, this might at least set in motion some kind of an organisation in Ambala District.
