Mr. Menoni

Kindly refer to your Note of 5th February regarding payment to Marayan for Secretarial Assistance. We have looked up the papers and note that we have been

- (a) paying his First Class railway fare,
- (b) his boarding and lodging expenses in Delhi at the rate of Rs 12/- per day

when you were General Secretary.

We may therefore resume this arrangement with effect from the commencement of this Budget Session.

I have confirmed this with the General Secretary.

Mr. S.V.Raju

As I shall need secretarial assistance for Party work as well as other work in Delhi during the coming Session of Parliament, I propose to take Narayan up with me for the session.

Will you kindly look up the papers and ascertain what arrangements we had in this connection when I was General Secretary? My recollection is that, while PPS continued to pay Narayan's salary, S.P. paid for his travelling and other additional living expenses. If so, we may resume that arrangement from now on ~~xxx~~ from this Session onwards.

Mr. Raju:

We had been paying the train railway fare and his boarding & lodging expenses in Delhi @ 12/- per day. Besides which he was being given an advance of Rs 200/- for expenses towards petrol etc.
