My dear Narayan,

I hope you are still alive and kicking! You must be grateful to us that we kept Mr. Masani in Bombay for the last so many days!

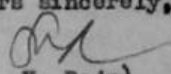

Kindly refer to your letter of 23rd February; we got Maharaja of Baria's address from you. However, soon after your letter was received, I understand that Bhatia had already sent you his Ahmedabad address and telephone number.

About Mr. H. M. Patel, you may contact him at the Assembly Hall during the sessions of the Gujarat Assembly at the Assembly Hall, Tel. Number 6572 but, generally his practice is to return to Vallabh Vidyanagar at night.

Regarding the torrent of letters in Hindu, Urdu, Gujarati and the other languages of India, I generally try to send Mr. Masani only those which need his attention. However, I shall enforce stricter scrutiny and try and reduce the torrent into a drizzle.

With kind regards,

Yours sincerely,

(S. V. Raju)
