My dear Raju,

When giving me a list of addresses before I started for Delhi, Mr. Bhatia has overlooked to me the Ahmedabad addresses of Maharaja of Baria, H.M.Patel and others. Mr. Masani was a little annoyed about this because the list he gave me contained every address except this. Would you please ask him to send me immediately by express delivery their Ahmedabad addresses and telephone numbers?

It is becoming a little difficult to cope with the torrent of letters in Hindi, Gujarati, Urdu, etc. Would you please be so good as to ask Bhatia or someone else to help out by sending here short summaries of the letters attached or attending to them if they can be disposed of by you? Many thanks.

Yours sincerely,

R.K.A. Narayan
