My dear Raju,

Yours of the 24th. After seeing the draft minutes settled by Cooper and yourself and having gone through them, I see no reason why their distribution should now be postponed as I had originally thought when I had not received the draft minutes.

Please attach to the minutes before they are circulated a copy of the note which we have handed over to C.C.Desai ~~along with the covering letter~~ by putting an asterisk at the right point in the draft minutes. For all practical purposes the note we handed over to him is the same as that ^{which} was given to the members. We can therefore attach to the minutes the revised note, and not the original draft, Please see that this is added to the minutes as an annexure before they are circulated.

I have been waiting for the last two days for the figures which you had promised about the cost of bringing out Swatantra in Parliament. Will you kindly let me have this immediately as it is holding up action at this end?

If the draft minutes has not gone to Rajaji, will you kindly send them to him immediately by express delivery?

I trust by now all action arising out of the minutes has already been taken.

Yours sincerely,

M. R. Masani
