My dear Minoo,

I am in receipt of your two telegrams and enclose the following :

- (1) Note of discussion at the Joint meeting held at your Delhi residence on May 26/27, 1969.
- (2) Jan Sangh's voting record.
- (3) Circular calling upon State Units to protest against Railway Budget.

Deshpande has just sent me material regarding Consumer Guidance Society. Dr. Cooper who is on a day's visit to Delhi on Friday 27th, will handover this material to you.

Your speech to the Bombay Regional Convention on 15th morning has not yet been transcribed. They promised to give us the transcription by Monday, 2nd March. I shall however try to see if it can't be expedited.

I have shown your letter regarding the agitation against the nomination of Dabhyabhai Patel to Dr. Cooper. The letter to Mr. H.M. Patel and Baria regarding the Central Parliamentary Board's decision on Dabhyabhai has just been issued. It was not issued earlier because I was awaiting the corrected minutes from you.

With kind regards,

Yours sincerely,

(S. V. Raju)
