My dear Raju,

Professor Shah delivered to me this morning your letter of February 21 and the enclosed draft minutes and other papers. I return herewith the draft minutes of the National Executive and Central Parliamentary Board duly corrected. They may now issue and certainly all urgent action should be immediately taken.

In so far as the Times of India editorial is concerned, you must have seen that I have already issued the letter to the Times on Saturday which has appeared in this morning's papers in Delhi and Bombay. I do hope it has also appeared in the Ahmedabad edition. Perhaps you can check on this and see that it does.

Mr. K.P. Singh Deo who has come from Calcutta says that Mr. Dutta (of Gillanders Arbuthnot) who looks after our affairs there feels unhappy that you write to him at his office address which embarrasses him and not at his home address. Will you kindly put ~~keep~~ this right and see that no more Party papers are sent to his office? If you do not have his home address, please write to him discreetly and get it. I should also like to have his home address with me here.

Kindly give the enclosed cover to Dr. Cooper.

Yours sincerely,

(M. R. MASANI)

Mr. S.V. Raju,
Bombay 1.
