My dear Maharaja Sahab,

Thank you for your telegram of the 11th. I appreciate your sentiment of solidarity. What has happened is indeed very sad and I am not referring to Rajkot alone. I fear our people will have to pay for their mistake in the months and years to come. For us it should be a time for an agonising reappraisal of what we stand for and where we stand. I am arranging for meetings of the National Executive and General Council of our Party to be called in the second half of April by which time the dust will have settled and we will have more data.

With regards,

Yours sincerely,

(N. R. MASANI)

His Highness Sriraj Meghrajji of Dhrangadhra,
Dhrangadhra.
