Dear Mr. Bhatnagar,

I have your letter of 30th December which came in my absence abroad. I much regret that owing to extreme pressure of work, it is not possible for me to write a special article for your periodical.

If, however, you are interested in carrying the text of a Press Conference which I addressed in New Delhi on 31st December and which is still topical, you are welcome to make use of it. I am attaching a copy of the text.

Yours sincerely,

(M. R. Masani)
