Dear Mr. Kothari,

Thank you for your letter of 8th January which I only saw on my return from abroad a couple of days back.

I am afraid it will not be possible for me to address your Conference either on the 7th or 8th as I am scheduled to be in my constituency, Rajkot, at that time, where engagements have already been fixed; you will therefore have to excuse me.

Yours sincerely,

(M. R. Masani)
