My dear Sudhan,

I could not find time to personally congratulate you on your excellent performance in the recent enrolment drive in Kerala and the support you and your colleagues extended to me in Madras.

Please convey to your President, your General Secretary and to your other colleagues, my grateful thanks. I do hope that in the coming months the Kerala Unit will redouble its efforts in planting the Party's flag firmly in your State.

With best wishes for the New Year to yourself and your colleagues.

Yours sincerely,

(M.R. Masani)
