Dated-MON-29th DEC, 1969.

My dear Shree M.R.Masani ,

My heartiest congratulations on your election as our Party's President . I hope you will make the Party a well-knit , highly disciplined MACHINE so that people like our Prime Minister may not , in future , be able to refer to it as a STILL BORN CHILD . So far we have been able to oust the Congress and get our men into power in Orissa only . I now hope that you will collect PLENTY OF MONEY (so very necessary to enable the party to use ULTRA MODERN METHODS OF "INFORMATION & PROFAGANDA") , and ensure that we can form Govern-ments in many more states in 1972. Wish you the very best of luck , and a very happy and prosperous NEW YEAR . I'll be coming to Bombay in the second or the third week of the coming month of January when , I hope , we shall be able to meet.

With kindest regards from ,

Very Sincerely Yours ,
