My Dear Masani,

First of all, I convey my hearty congratulations for your election as the President of the Swatantra Party of India. I am sorry that I could not attend our meeting held at Madras on 27th and 28th last.

It will be a great privilege in the interest of our party if you please pay a visit to our State in the second fortnight of January '70. Among other programmes to be arranged, I would request you to be the Chief Guest at the Annual Conference of the Orissa Engineering Congress and Orissa Engineering Service Association to be held on 19th and 20th January, 1970. They have requested me to inaugurate the conference as well as to obtain your consent for becoming the Chief Guest at the above conference as they are very eager to listen to your valuable counsels. I am enclosing the letter of the Secretary of the Orissa Engineers Service Association.

Wishing you a Happy New Year,
I hope to hear from you soon.

Yours Sincerely,

(R.B.Mishra)

It may be mentioned here, that each of these organisations has over 3,500 members in its roll. Further technologists of other branches (viz:- Medical, Agriculture Veterinary etc.) are participating in the meeting in large numbers. Leaders of various schools of thought are also attending the same.

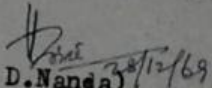

The technologists of Orissa are very much eager to ^{to} listen/your valuable guidance and wise counsel on the problems facing the technologists and engineers in particular.

P.T.O.

I deem it a great honour to request you

An early reply is anxiously awaited.

Yours faithfully,
