Your note of 12th November regarding Mr. K.M. Koushik.

On enquiry I learnt that Mr. Koushik has not enrolled himself either in Maharashtra or in Bombay and therefore he cannot be elected *or co-opted* ~~or even co-opted~~ to the General Council. May I suggest that you persuade him to pay his subscription either Rs.3/- or Rs.100/- so that he could secure his cooption to the General Council. I am enclosing herewith an enrolment form and would be grateful if you could give it to him when you meet him next. Mr. Koushik should send the money and the form to me.
