Dear Minu,

Our acquaintance desires that I write a few
of my thoughts to you.

Now that the Congress is split by the Commu-
nists who had infiltrated according to their
Religion of Lies, and had captured it in the cloak
of M. Gandhi, there is only one way out of the
mess. The Swatantra, the Jan Sangh, and the
"Syndicate" must form a separate party, and it must
be known as "Congress Anti-Communist" Party. This
will brand the captured-Congress as the Communist
Party, as the communist-congress is not going to
own it.

Yours sincerely, .

Jal T. Desai

Mr. Minu R. Masani.
