My dear Maharaja Sahab,

It is only this morning that your portrait reached me along with your kind words. It is an excellent picture, and I am very happy to have it. It was very kind of you to think of letting me have it.

I do hope there is no implication that our association in any way comes to an end! The good fight for freedom and democracy has to be carried on in different shapes and forms and I should like to think that there will be many occasions for us to work together.

Yours sincerely,

(M. R. MASANI)
