My dear Yashwant babu,

I got your telegram of the 8th. I am sorry it was not possible for me to respond to your suggestion that I should not press my resignation from the Presidentship of the Party. I explained the reasons as best as I could to Mr. Tej Narayan Yadav when he was here and saw me the other day.

I enclose a copy of my letter of resignation in case you have now seen it where I have explained the reasons. Any way, it is now an accomplished fact.

I shall of course be glad to be of help to you in any way I can.

With best wishes,

Yours sincerely,

(M.R. Masani)
