Extract from Mr. K.K. Kurvillla's letter dt.10/4/1971 addressed to  
Dr. R.C. Coşper

---

As for Mr. M.R. Masani's resignation it is good in principle.  
But we all have to find out a leader to lead us. After the  
delebration I hope you all will find out a person worth to be  
the leader. Please kindly convey my heartfelt congratulations for  
his ardent work as the President of Smtantra Party.
