To. M.R.M.

Mr. Parekh says that he has written to Dr. R.C. Cooper and Mr. S.V. Raju as follows:-

Says he has learnt with regret that M.R.M. has resigned as the President of the Sw.P. Party. M.R.M. was not responsible for the debacle of the Sw.P. during the elections. But for M.R.M. alone was not responsible, but all the members of N.E. were responsible, because after having walked of the Alliance meeting Delhi, M.R.M. was forced by the N.E. to rejoin the Alliance. Thus M.R.M. is innocent. M.R.M. has still many things to do for the Party. M.R.M. should continue as the President.

M.R.M. should be persuaded to
withdraw his resignation

Day by day indiscipline is
growing in the Party.

The latest example is the
support of Gaj. Sw. P. to Hiteendra Desai.
