

Age and health

Response to my plea

Why Rajaji launched S.P.

Crying need - no one else - e.g. J.P.

Why?

(1) Moral degeneration

Gulf between profession and practice

Socialism equals tightening belt

Austerity equals ostentation and waste

Crass materialism vs. Dharma

Growing cynicism among people

Loss of faith

(2) Concentration of power

LIC, STC, Monopoly State Capitalism

Party and Govt. becoming one, as in Russia

e.g. U.P. Cabinet crisis

(3) Economic Plans - bankruptcy

Disincentive to work and production

Inflation equals theft

Middle-class and traders ground down

(4) Nagpur Resolution

Defence of farm and family

Bangalore - 29th May

Strong Opposition and alternative Govt. needed

15) *of Kennedy vs Nixon - 2 Left Feb*

RAJAJI provides magnificent leadership - *Less response*

- great personal sacrifice

Wilderness at 84 - *unprecedented*

People responsive
Our duty to work hard and organise

India can give response in March 1962

His reward.
