My dear Lilubhai,

Thank you ever so much for your letter of the 11th. As you say, it is all very sad. You are quite right in what you say in the second para of your letter. So far as I am concerned, the Front lost the elections on 3rd January. Unfortunately, except for a few of us, I doubt if the people you have in mind have learnt any lesson.

Let us meet one of these days. So much has happened since we met last. Why not come and have lunch with me in town? Do give me a ring so that we may fix a date.

Yours sincerely,

(M. R. MASANI)
