My dear Sundaram,

Thank you for your letter of November 20 and the invitation to the meeting you are calling on December 8. I much regret it will not be possible for me to be present at Madras on the occasion.

As you know, however, I shall be addressing a meeting under the auspices of the Party in Madras on December 12.

With best wishes,

Yours sincerely,

My dear Girish,

I have just seen your letter of December 3.
I am sorry it will not be possible for me to be in Madras. *on the other*
I have agreed to address a meeting on December 12,
because I have another engagement which takes me to Madras
on that day: that engagement cannot be shifted. I am
sorry therefore I have to disappoint you. I have informed
Mr. Sundaram accordingly.

Yours sincerely,

M.R. Masani
