18th November, 1974.

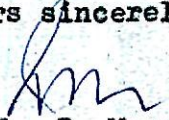

Dear Mr. Duraisamy,

Thank you for your letter of 4th November which I saw on my return to Bombay. I am happy to note your interest in the movement launched by Mr. Jayaprakash Narayan.

More than conventions, what is required is initiation of activity at the grass roots level. If you will please write to Mr. V.M. Tarkunde, 223 Deen Dayal Upadhyaya Marg, New Delhi 110001. I am sure he will be happy to put you in touch with the people concerned in Madras.

With kind regards,

Yours sincerely,

(M. R. Masani)
