Dear Mr. Jatav,

Kindly refer to your letter of August 25 to Mr. Masani who is on a visit abroad and will be back by the middle of next month.

I understand that you have joined the H.D. If this report is true you will agree that in view of the fact that you have made up your mind not much purpose would be served in my trying to carry on a discussion with you.

On the other hand, if this is not true, then please let me know so that I could deal with some aspects of your letter.

You might like to show this to Mewaram Arya.

I trust you have received a copy of Freedom First No.268 of September 1974 which carries my article on the National Convention where you were manhandling^{ed}.

With kind regards,

Yours sincerely,

S.V. Raju,
