

16th March 1971

(81)

My dear Thakore Sahab,

Thank you for your telegram of the 11th. I am sorry that the efforts that you and I and so many others put in have not borne fruit. However, we all did our best, that is all that anyone can claim. As you say we are all victims of a tide. Let us hope it will not damage our country in the years to come.

Yours sincerely,

Thakore Sahab of
