Dear Mr. Tiwari,

This refers to your letter of August 27 to Mr. Masani who is presently abroad and will be back in India by the middle of next month. Meanwhile it is good to hear from you. If I recall rightly we met in Lucknow in December.

Regarding what happened at the Convention I am enclosing herewith an article that I wrote in the Freedom First which tells the story.

As regards your desire to work for the Party in U.P. and the proposed Convention in Madras, I understand that the plans are still somewhat fluid. Meanwhile I am forwarding a copy of this letter along with a copy of yours to Mr. Sundaram and I am sure he will be glad to have the co-operation of an ideologically-oriented person like you.

With kind regards,

Yours sincerely,

S.V. Raju
