Dear Mr. Sridharamurthy,

Thank you for your letter of August 12.

While I appreciate your enthusiasm, I feel I must ask to be excused from being made to liaise between various State Units. It is really the task of the office-bearers of the State Units concerned to undertake and I suggest you get in touch with some of them like Mr. Sundaram of Tamilnadu and Mr. Girish Munshi of Maharashtra.

Along with this I am enclosing a copy of the September issue of Freedom First which carries on the first page an article by Mr. S.V. Raju who has for many years been the Executive Secretary of our Party.

Yours sincerely,

M.R. Masani
