Dear Mr. Rengaswami,

I am in receipt of your letter of August 8.

I am very sorry, for reasons that are wellknown, I do not believe I could be of much help in taking up the presidentship of the Swatantra Party, even if it is to continue. I have made this clear repeatedly since I resigned in April 1971. I have proposed a compromise resolution which unfortunately our Party President turned down. I am sorry to have to disappoint you by not responding to your suggestion.

With best wishes,

Yours sincerely,

M.R. Masani
