My dear Mr. Masani.

I have suppressed my feeling for a long time. But I have exhausted my patience. Hence this letter.

I have no words to thank you for the valiant bid with which you tried to save the Swatantra Party.

Reports in the papers are disgusting, to say the least. I never imagined for a moment that ~~our~~ Party was pocked with scums of the fourth order.

Thank God that Rajaji is not a witness to the happenings in our Party.

With kind regards.

Yours Sincerely,
P.B. Meekoni
