Respected Sri Madan Ji
Jai Swatantra

Received your kind letter on
18/7/74. In spite of our opposition, the
State Council has supported the move
for merger in the new party. In fact
the attendance in the meeting at
Lucknow was poor and influential
members were mostly absent. I have
known from a letter of Sri Madan Ji
that same Draft resolution applicable
to you also is under consideration.
It is a good sign. I will contact
you before the convention.

Best wishes
Yours
