My dear Kusumben,

Your long letter of July 15. I am glad to know how you feel.

Yes, I propose to be in Delhi for the National Convention on August 4 and 5 and it will be good to see you there, speaking out as usual.

I enclose a copy of ^athe Resolution I have tabled for discussion with a view to helping the Party to find a way out of the split which will otherwise be forced on it. I hope you approve of my approach.

Yours sincerely,

M.R. Masani
