Dear Mr. Pathik,

Of course I remember you very well.

I am glad to learn from your letter of what you say about the sound views held by a large number of members of our Party in U.P. It is for them to come ~~up~~ as delegates to Delhi for the National Convention. I shall be in Delhi for some other work from August 1 onwards at the Oberoi-Intercontinental and you and your colleagues are most welcome to contact me on your arrival in Delhi in advance of the Convention on on August 4.

Yours sincerely,

M.R. Masani
