My dear Piloo,

Thank you for your letter of July 11 forwarding a Draft Resolution you have put together.

I thought you were going to revise the draft I sent you with my letter of July 8, but I see that what you sent me is a direct negation of my draft and incorporates your proposal to which many of us vigorously object. Obviously, my compromise is not acceptable to you.

I see no purpose therefore in carrying on this discussion any further. We shall have to let things take their course.

Yours sincerely,

M.R. Masani
