

10th July, 1974

My dear Shah,

I was delighted to get your letter of 2nd July which has crossed mine to you of the 3rd in the post. What you say is entirely on the right lines.

Along with my letter of 3rd July I have sent you a copy of my second letter to Piloo Mody and by way of greater caution I am enclosing another copy.

I shall look forward to seeing you in Delhi at the National Convention.

Yours sincerely,

(M. R. Masani)
