MARCH 24, 1971

My Dear Shri Masani

I am sorry and surprised to learn of the set-back for you at the recent elections to the Lok Sabha. The loss is not only personal, but also institutional.

The Institute of Constitutional and Parliamentary Studies has been privileged to have the benefit of your support and association. I am sure you would continue to extend your full co-operation in the objects and activities of the Institute.

With cordial regards,

Yours sincerely,

[Handwritten signature: L. M. Singhvi]
