2. To consider the draft Statement of Policy of the proposed new Party as presented to the members of the General Council of our Party, at its meeting held at Delhi on 9th and 10th June 1974 (circulated to you earlier) and to consider the stand of the Maharashtra State Council in relation thereto.
3. Any other matter with the permission of the Chairman.

N. B. Members are earnestly requested to make it convenient to attend this meeting and at the same time get the opinion from our Party workers in their respective areas and present the same to the meeting.

Girish Munshi
General Secretary.

MAM

This is a tough letter and shorn
of its hyperbole and strong
language basically a correct
assessment.

Anja told me that the letter
had hurt 'pibo'. In any even
pibo imbed it on himself by
his remarks on the Delhi Court
in his letter to members of the
State Council see page 4.
