My dear Ramabhadran,

In regard to what you write, this is a matter on which we have had a great deal of discussion.

Mr. Masani is going up to Delhi for a meeting of the General Council on June 9-10, and I think you have to go up there and put up your points of view forcefully and cogently. You will also have the benefit of discussing details at that time with Mr. Masani. Will you kindly inform Mr. Arya where you will be staying and keep in touch with him as he will be in a position to arrange for you to meet Mr. Masani along with others who think like you?

in Delhi

With kind regards,

Yours sincerely,

S.V. Raju
