Respected Sir,
Sorry for disturbing you in your precious hours. I have to trouble you as I am very much upset over the move to merge our Swatantra Party with a new one, in the name of polarisation of Parties.

I am a member of the General Council. I have been serving the Party from its inception and through this magazine for the past eight years. This magazine is a very effective link - conveyor belt - among Swatantra workers in Tamil Nadu. The merger move is being critically discussed in the last 2 issues. No. of letters appeared with opposing the merger.

I am one of those who closely followed
