Respected Shri M.R.Masani,

I received your letter of 24th May, in reply to my letter of 13th May regarding the future of the Swatantra Party. I am thankful to you for the reply. I felt very much assured to know that you read my letter "with great interest and a considerable amount of agreement and sympathy".

As you have expressed your agreement and sympathy, I feel I can make efforts to maintain the identity and existance of the Party. I am very much willing to undertake such efforts, under your guidance.

In my letter, I had requested you to advise the leaders of the Party not to go further towards merger. I feel that it is not very late even now to do this. I do not know, however, if you have got some difficulty in doing this yourself.

With regards,

Yours sincerely,

Sumatilal P. Shah
