Bombay.

Dear Sir,

The Executive committee and the Dt. Committee of the Madras District Swatantra party met on three days and discussed in detail the pros and cons of the proposed merger of the party with other parties. The average attendance on the three days was about 28 per day, the maximum being 30 and the minimum being 26. Almost all the members participated in the discussions and expressed their views. Finally at the joint meeting held yesterday the overwhelming majority of the members present decided that the Swatantra party should continue to function as a separate entity and I was authorised to communicate the decision to you and all the committees and individuals concerned.

Thanking you and with my highest regards,

Yours truly,

(V.S. Srikumar)
Secretary.
