930 for all

Dear Sri Masani, I am writing this letter on behalf Swatantry workers of Chingleput district of Tamil Nad. who feel the decision taken by the party leadership to merge our party with some regional parties is not a correct step towards polarisation and hence it is unacceptable. We want our party to function seperately as we have clear cut alternative ~~principles~~ policies for the betterment of the country. We also feel the present condition of the party is due to the lack of guidance from leadership, and it is our duty to carry on with the party as a fitting memorial to our departed leader Rev. Rajaji.

We want you to guide us at this confused state, as we hope that you are the only leader to whom we can turn in case of dissonance.

We hope ^{that} you also think alike. Whether you do so or not please ~~go~~ let us have your piece of advice and guidance.

Thanking you,

Yours Sincerely
A Seshadri
