Dear Mr. Patel,

Thank you for your letter of March 25. I am sorry there has been this delay in replying to it.

I share your feelings about what has happened to the Party.

I understand there is going to be a meeting of the General Council of the Party early in June. If I remember you will attend the meeting. I propose to do so and we can discuss these matters then. I myself am against the move to dissolve the Party and join hands with the kind of people with whom office bearers of the Party are now talking.

Yours sincerely,

(M.R. Masani)
