My dear Rajaji,

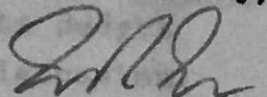

I enclose herewith a copy of the letter I have today posted to Sivaraj. I trust you will find it in order.

Bhailalbhai was delighted to get your reply. He is anxious that this matter should remain between you and him and myself and that neither the person concerned nor even our good friends Ranga and Munshi should have any inkling of it. I told him that I had mentioned it to you but I would remind you about it when I wrote to you next. He is anxious lest any inkling of it should upset the applecart.
