My dear Shri Kannamwar,

I am glad you have got now opportunity to serve the peasant masses of Maharashtra.

I am enclosing my copy of the Memorandum, submitted by one of your legislators Shriman Vishveshvar Rao of Chanda to the Prime Minister through the District Collector of Chanda on 2nd August, 63. I request you to see that your chief Secretary, Revenue Board study the 46 points made therein and submit to you and concerned ministers their practical suggestions as to how far the grievances and needs expressed by the Tribal people through this memorandum can be met and then advise your ministers to adopt such policies as to improve the lot of these long neglected people.

Officials of the Forest, Revenue, Excise and Educational Departments can either make or mar the life of these helpless people and some impartial, non-political and welfare-minded means will have to be developed to protect these people and promote their welfare.

I request you to take into your confidence Shri Vishweshwar Raojee and do your best to help these people.

I am also enclosing a printed Note from your local organisation of Consumers, detailing the Public Complaints about the unsatisfactory working of Sugar Rationing and other distribution arrangements and suggesting what Government ought to do.

I request you to give your careful consideration to that matter also.

Yours sincerely,
