My dear Masani,

Thank you for yours of the 22nd instant. The Bangalore convention is to be held on the 6th and not on the 5th August. So we have to readjust our programmes.

Kindly write again to Shri B.D. Patel to be prepared to go to Bangalore. It looks as if he does not fully realise the dangerous possibilities of this Bill. This Bill in its sub-clause 3 of clause 2 seeks to endanger rights in all kinds of agricultural lands all over India. So even the former Zamindari States like Bihar, Bengal, Up, MP, will be affected.

Can you not persuade Shri Dandekar also to go to Madras and Bangalore? I am enclosing a copy of my letter to Rajajee for your information.

I think you would have received by now the synopsis of the speeches made by our MP in the last session. What do you think we can do with it? Shall we get some 5 or 10 copies made of it, with the few verbal alterations that I can make or get 100 or 200 cyclo-styled copies made. We have to think of the expense of cyclostyling, paper etc.

Yours affectionately,

M. Masani
