My dear Masani,

I have read your letter of the 24th June along with enclosure that you sent me after our talk when you called at my place and I have been giving some thought to the matter during the last few days. I am sorry I do not feel any better thereafter. It is obvious that there have been some talk of appointing or recommending some one as President between yourself, Shri Bhailalbhai and others of which I have no knowledge. I do not know who exactly you mean by his "colleagues" but as far as I know the matter has neither been discussed informally or put before the party executives but if this is how affairs of the Gajarat Party are going to be run, what is the use of continuing as Vice-President so you may kindly take this as my resignation.

Yours sincerely,

Dahyabhai V. Patel
