June 26, 1963.

My dear Kripalaniji,

I have your letter of 19th June. Rajaji has already forwarded to me your letter to him of the same date.

As soon as I got your letter, I sent a telegram to Jayaprakash at Patna to try and find out his movements during the month of July, so that we may be able to meet him. I have not yet received his reply, and frankly, knowing his habits in the way of correspondence, I have no assurance that there will be a reply. I shall, however, pursue the matter and try hard to see if we can get him to join us for a chat some time next month.

Yours sincerely,

(M. R. Masani)
